Barbara,

When you have had a chance to review the document we can schedule a call.

I suggest the initial call be between NJDEP and EPA followed by a call as necessary with HydroQual .

Just provide me with a few time for the call and we will do our best to accommodate you .

Feel free to call Rosella or me (212) 637-3823 or (212) 637-3775 respectively anytime.

Felix
